1400	3	1	4	17		510	G

Characteristic stonehouse located in a quiet area in the beautiful countryside of Vinci with wonderful panoramic views just 5 minutes from the birth place of Leonardo da Vinci.

The house, a 510 sqm ruin of a farmhouse in stone, is composed of two different units: a 400 sqm two-level main building with a cellar, free on three sides. The 110 sqm annex is positioned on the opposite side of the courtyard, and is completely detached from the remaining buildings.

Apart from the roof of the main building, which is in good conditions, both units are in need of a total restoration.
It is possible to buy part of the adjacent land.
