Lovely and spacious country house in beautiful settings

Just a short distance from Vinci and a few minutes away from Leonardo da Vinci's birthplace we find this lovely country house surrounded by woods and olive groves. The location of the house guarantees privacy and tranquillity as it is located at the end of a short dirt road.

The main house is very well preserved and maintains some wonderful details from the original, historic house.

On the other side of the courtyard there is a smaller house - the old Fienile - with two floors and a big external pergola where country life can be enjoyed with family and friends. In addition to the garden there is also a big olive grove and a beautiful view of the surrounding hills of Vinci and the small village of Sant'Amato.
