Beautiful townhouse in beautiful newly built 'borgo' near Pisa

This lovely townhouse with the most beautiful views of the countryside and Chianni town, is located in a rustic and luxurious property complex within walking distance of the center of Chianni.

The complex has all the necessities and luxuries one can think of: IHC system, underfloor heating that can cool in the summer, beautiful common areas with terraces, saltwater pool, pergola, underground garage, and video surveillance, as well as restaurants and babysitting assistance, etc. within easy reach - a really attractive property.
